**Force Manufacturing has the resources and capabilities to provide our customers with:**

**Precision Machining Capabilities**

- Prototype Machining
- Production Machining
- CNC Multi-Axis Machining
- Fixture and Tooling Development
- Reverse Engineering
- One Off / Custom Machining

**Automation Services**

- Equipment Refurbishment
- Design/Build

**Milling Department**

- (3) Haas VF2s  
30" x 16" x 20" Table  
4-axis CNC Capabilities
- (1) Haas SS VF4  
50" x 20" x 25"
- (3) Knee Mills with XY  
Programmable Controllers
- (1) CNC 3-Axis Bed Mill

**Turning Department**

- (1) Doosan Puma 2600Y Lathe  
with Live Tooling and  
3" Thru Spindle  
Turning Capability 19" x 30"
- (1) Doosan Lynx 220LC Lathe  
with 2.6" thru Spindle  
Turning Capability 12.6" x 20.7"
- (1) Lablond 12" x 40" Engine Lathe
- (1) Sharp 18" x 80" Engine Lathe

**Welding Capabilities**

- TIG Welding (Alum, SS, and Carbon Steel)
- MIG Welding

**Plastic Machining**

Acetal	PEEK	Nylon
Acrylic	Garolite	PVC
Lexan	Composite	UHMW

**Sheetmetal Forming**

- Guarding
- Thin Gauge Forming
